Actividades interactivas en el blog

# 1. Cómo incrustar el código en el blog de Blogger

The image shows two screenshots from the Blogger interface. The top screenshot is the 'Edición de HTML' (HTML Editing) view. It displays an HTML code snippet: `<iframe src="http://www.eslvideo.com/view_quiz_inframe.php?id=1153" width="400" height="950" frameborder="0" scrolling="auto"> Who knows? </iframe>`. Three callout boxes provide instructions: '2. Se pega el código en el editor' (The code is pasted into the editor), '1. El editor tiene que estar en Edición HTML' (The editor must be in HTML Editing mode), and '3. Ver el contenido en Vista Previa antes de publicarlo' (View the content in Preview before publishing). The bottom screenshot shows the 'Vista previa' (Preview) view. It displays the rendered content: a video player titled 'Who knows?' with the subtitle 'What American people know'. The video player shows a scene with a woman in the foreground and a man in the background. Below the video player, there are options to 'Show: Questions Transcript Notes' and a 'Questions' section with the question 'What is the religion of Israel?'. A red arrow points from the 'Vista previa' button in the top screenshot to the previewed content in the bottom screenshot.

## 2. Incrustar vídeos y audios

The image shows two examples of how to embed media into a blog. The top example is a YouTube video player for 'Blind Date - Olde English Sketch Comedy'. A callout points to the URL [http://es.youtube.com/watch?v=nKq6\\_vjrxMo](http://es.youtube.com/watch?v=nKq6_vjrxMo) and another callout points to the embed code: `<object width="425" height="344"><param name="movie" value="http://es.youtube.com/watch?v=nKq6_vjrxMo"></param></object>`. The bottom example is an ODEO audio player for 'English Cafe #163'. A callout points to the URL <http://odeo.com/episodes/23605196-English-Cafe> and another callout points to the embed code: `<object type="application/x-shockwave-flash" data="http://static.odeo.com/flash/player_audio_embed_v2.swf" width="325" height="60" id="odeo_audio"><param name="movie" value="http://static.odeo.com/flash/player_audio_embed_v2.swf" /></object>`. The YouTube player also shows a 'Más de: aconover' section and 'Videos relacionados'.
